Subject: Peter Glynn Interview

Please find a copy of the Glynn letter.To: Jeremy Gunn/ARRB, Michelle Combs/ARRBcc: Tom Samoluk/ARRB
From: Douglas Horne/ARRB Date: 10/29/97 02:27:28 PMSubject: Peter Glynn InterviewFinal arrangements
have been made, and are listed below. (I hereby turn over responsibility for any future changes to others.)He
is expecting Dr. Hall and either Jeremy or Michelle at 9:00-9:15 A.M. on Tuesday, November 18th at his
address in Dumfries. I told him to expect a 60-90 minute discussion. He has previously granted permission for
us to tape-record the interview. (Keep the witness no further than 2 feet from the recorder, or you will be
sorry later.)Phone number: (703) 221-6614.He wants us to bring the referred document about him with us;
HSCA Record Number 180-10093-10162. (I told him we would.) It is a 1977 interview report (of an interview of
Peter Glynn) written by Jack Moriarty of the HSCA staff. Glynn says he will prepare for the meeting with ARRB
by writing down in bullet format things he can remember about the subject matter we are interested in. He
wants to review Moriarty's report at the beginning of his ARRB interview, as an aid to his memory. The
address is on the letter I wrote (which I cannot find.) END
