**Subject:** Two boxes missed at NARA II  
As of this writing, I now expect to be in the office all day Monday working on loose ends with the HSCA  
Numbered Files project. There appear to be two boxes that we missed this week at NARA II because they were  
out with researchers (Boxes 162 and 228). Would either of you be interested in going out to NARA II on  
Monday (today by the time you read this) and getting these last two boxes done? It would be extremely  
helpful though, I know, not much fun. Let me know. Thanks!
