Subject: HSCA Subjects i‰in progressi‰Thank you for the Memorandum, it was very useful in prompting me to complete some lingering files. I just wanted to let you know where I stand with some files. I am negotiating Gus Alex with Joe and we are currently at volume 8 of 18. I am waiting to complete two files with Joan. The numerous Mannarino files are now at DCU and are also waiting on some technical issues. I would like to finish this up by the board meeting but this may not be possible. I had started Bartone with Joan before she started negotiating LCN with Sarah. I will most likely have to wait until they are finished with LCN before completing this file. Jim and I are negotiating Buffalino and Lake Ponchatrain. We are waiting for several technical issues to be resolved before completing Buffalino. Hopefully we will finish some CIA issues and complete Lake Ponchatrain soon. I will locate and begin working on the main files for Lanusa, Manchester, Davis, and Otash soon.
