Subject: Re: your names
This is the gentleman I mentioned who ran the American Exhibition in Moscow for Commerce. Sydney and I both have information on him. If you can find him, that will be great. I'll give you the SSN# if you need to call Commerce. You might check the telephone book and directory assistance. If you can find a listing for him, let me know and I will show you a copy of the contact letter we send out.

King (if not, I have it), is there any indication of whether he is still alive? You could also try the Commerce Department where he worked in the Office of International Trade Fairs. If you don't want to call personnel, I will. Let me know. Thanks.
