**Subject:** Teresa Longanecker  
called at 4:35. She said she could come in on Monday if you wanted. I told her I doubted that would work for you due to the Board meeting and the security work to be done that day plus the fact that she may need to speak with others here also. She said that she does not work on Mondays so you can reach her at home (540-720-3173) on Monday.
