Hi Tim. Got your message. I know you prefer to receive these items by e-mail now -- just bear with me as I take you off the fax list. It is quite the complex system, and, unfortunately, I can't just remove you. It's this whole "import" thing -- very complex. Anyway, you may receive duplicate advisories for a little bit (one by e-mail and one by fax) -- hope that won't drive you crazy.Jim Wolf did a great story on the Cuba documents, by the way, and with such little time. Kudos.See ya,Eileen
