Richard Boylan of NARA called this afternoon regarding Army records at NARA. He is knowledgeable regarding Army records at NARA and was returning my call. I explained that we had met with the Department of the Army and that we are trying to locate the files for several high-level Army officials from the early 1960's. At my request, he said he would check whether NARA has 1963-64 files for the Secretary of the Army (C. Vance), the Army Chief of Staff (E. Wheeler), and the Assistant Chief of Staff for Intelligence. He said he would contact me next week regarding the results of his inquiry.
