Subject: Kelley Bishop

Body: Your request to locate Kelley Bishop (wife of James Bishop) could not be fulfilled. After searching in various databases and using different methods I had to conclude that the names Kelley and James Bishop are far to common in order to fulfill the request. I did check to see if Mrs. Bishop lives in Fort Lauderdale or Miami (according to the recollection of Cartha DeLoach) and was able to conclude with high probability that she does not. I can try again, if you can at least come up with a middle name or date of birth for Mrs. Bishop.
