Subject: Conversation with Jeff Schaffner
I spoke with Schaffner this morning. He received everything we sent and loaded the disk to work off of. He told me the following: He wants to change the opening paragraph to note the bipartisan nature of the JFK Board work, while also noting the original JFK Act, and not just the extension. He also wants to note that the Board was extended for a year to finish, with emphasis that this is definitely the last year so it is very important that all of the agencies finish up while we are in existence. He will basically stick to the rest of the letters as you drafted them. Moll is out a lot of this week, but he hopes to get letters to him for final sign-off early next week. He will share the letters he comes up with us before they go out.
