Subject: Church Committee Records
With respect to Jeremy's e-mail on the Church Committee records, we should probably get together when you are available. I would like to go over the background history regarding these records, as I understand it. These are not new Church Committee records. Rather, these are records that show what redactions the Church Committee and the agencies made with respect to records that are currently in the JFK Collection. The Review Board has never ruled on these redactions.
