**Subject:** copies from Burton's officel  
Jeremy, our office just received copies of letters from Burtons office written on our behalf to CIA, IRS & L of C. Shall I file them in 4.21.3 only or also in 4.20.3 (CIA) , etc.?Also, I will be on annual leave on Tuesday morning 30 December, but will be here in the afternoon if you need anything from me. Thanks, CathyPS - regarding the Secret SErvice compliance letter to Vezeris, initial draft date on 18 December, I renamed it compl.ss for compliance secret service as opposed to the name it formerly had. Kim has several letters to SEcret service on her drive, and it was easier for me to track. We emailed this to you yesterday (Monday) as well as put it in the t/legal drive under compl.ss Cathy
