From: Tom Samoluk/ARRBDate: 12/30/97 12:28:33 PMSubject: December Congressional Letter For Your ReviewJeremy:Attached is the December Congressional letter. I used what you wrote and it makes up the bulk of the letter. As I had mentioned to you, given that we recently had a lot of contact with Burton's staff and there was not a lot else to report that they would be interested in, your contribution fit very well.If the letter is okay with you, it would be nice if you could sign it tomorrow and have Jerrie get a courier to deliver it.Please advise me what you think and if it can go tomorrow.Thanks.Tom
