**Subject:** Air Force and Navy Compliance Statements  
The Air Force and the Navy have submitted their compliance statements which are fairly substantial. The Air Force essentially came up with no documents. I will review these and prepare letters acknowledging receipt and, if necessary, requesting follow-up. As we discussed, the Navy has committed to filing a separate compliance statement on behalf of ONI. I have the original Air Force submission and Cathy has the original Navy submission if you want to inspect these. --Ron
