Subject: reply to January 2, 1998 letter from Jan Stevens
Dear Mr. Stevens:Thank you for your January 2, 1998 letter to Review Board Chairman John R. Tunheim regarding the materials of William Manchester that relate to the assassination of President Kennedy.Please be assured that we are aware of the Manchester papers. As I am sure you are aware, the Board has many important matters that are still pending. However, it is our goal to complete our work by September 30, 1998 and make the record of the assassination as complete as possible for the American people. Again, thank you for taking the time to write and for sharing your thoughts. We appreciate your continuing interest in the work of the Board.Sincerely,Eileen Sullivan Press and Public Affairs Officer
