Subject: Transfer of Records to NARA
Tom has asked me several times about whether the September and October meeting documents were ever sent to NARA. I talked to LuAnn today about post-production and whether anything had gone to NARA yet. She said that nothing had gone yet, but that when she rec'd the Nov. and Dec. meeting stuff from you, she would be able to start transferring records from the Sept. and Oct. meetings, presumably because we didn't finish whole subjects until the Nov. and Dec. meetings. I told Tom about LuAnn's response today, and he asked me to check with you. So I am. Does that sound right to you? If yes, would you mind touching base with Tom about it? Thanks.
