Subject: Electronic RIF Information
All persons with responsibilities for agencies should determine whether our RIF e-information is accurate and up to date. You should ask Chet to provide any information he has to help you answer the question. As soon as you know the answer, advise Cathy: (a) whether the information is up to date; and (b), if not, what specific steps should be taken to get the information up to date. Please get the information to Cathy by the time of the next Board meeting.
