**Subject:** January Congressional Letter

Once again, I am beginning to prepare our monthly Congressional letter and need your assistance. Please provide me with any relevant information that you have regarding the progress that the Board has made since our December report. As you know, I am interested in numbers and anything else that you think could be relevant to our performance. Because the Board is meeting on this Thursday, January 22, and what they vote on (numbers, numbers) will be part of the letter, I would like to have your input by the close of business on Friday, January 23. Any numbers from the Board meeting do not have to be exact, estimates would be helpful, at a minimum. Again, please do not hesitate to advise me of any other activities. Everything is fair game for me to review for the letter. Thanks.
