Subject: Steven Tyler

I finally got hold of Tyler. Here is the report:1. He has sent everything he is going to send us.2. I told him that we will send him a draft deed of gift for his review. He is fine with that.3. I told him about the Nan Waffan's interest in his work. He said that you could give her his number to discuss her interests. The tapes that we will put in the Archives are not broadcast quality and Tyler will maintain the copyrights, so she would end up talking to him anyway.4. I will send an e-mail to Laura regarding preparation of a standard deed of gift for the Tyler donation.Let me know if there is anything else you need on this one. Thanks.
