**Subject:** invoice  
Donna, I called you today but you were out so I spoke with Anita. I was checking on the invoice for the Historic Inns of Annapolis. They called looking for payment. Anita called back and said that she found the invoice and left it on your desk with a note for you to put payment through. Could you please do a manual check and get the payment out right away since it is late and they are looking for it? Thanks.
