Subject: Ford Diaries News Release
Henry:As you know, we have acquired relevant pages from President Ford's 63-64 diaries regarding his Warren Commission service. If you would like, I can FedEx you what we acquired. There are no great revelations, but some interesting observations. At any rate, we would like to do a press release within the next week or so. I am faxing you a draft of a release for you to review the quote that we put in there from you. Please feel free to change it as you see fit; we are by no means locked in with the draft quote. Please advise me of your thoughts on the quote. The fax will go through shortly. I guess the President lives to fight another day. Tom
