**Subject:** This week,  
I should finish up the first batch of Ford Library documents and hand over the few outstanding issues to Kim.  
The master list for the Warren Commission should also be completed in the next day or two and that will also  
be handed over to Kim. I will probably spend the majority of my time at the FBI in order to finish up my  
outstanding files, which is also on schedule to be completed by next week. It's been real.
