Subject: U.N. envoy visit to AZ

Body: FYI only. Today's Arizona Republic, in its "Valley and State" section, ran an article entitled "U.N. Envoy in State", concerning the visit/fact-finding mission of one Abdelfattah Amor of the U.N. Commission on Human Rights. Amor seems to have dealt exclusively with Native American religious freedom concerns. I presume this is the visit you had been gathering information for. If you want a clipping of the article, let me know.
