**Subject:** hotel charge

Debbie--can you check Jack's American Express (or whatever card he uses when he travels) to see if he paid for his hotel room at the Mayflower on December 14? They charged my card (which was used to hold the room) and when I called them to have the charge removed they said that they would need to charge Jack's card. If he was not charged, the hotel needs a fax from authorizing the charge to his card and they need the card number. If he was already charged, we can show them the charge and be done with it. In any case, I have been dealing with a woman named Shane at 202-347-3000 ext. 2173 in accounting. Her fax number is 202-775-5894. I would be happy to follow up on all this with her or you can contact her yourself. Let me know. Thanks.
