It's been raining too much down here.It's sunny today, but the weekend was pretty wet. It would rain in the evening and night mostly, so the days were a little dry. It was a goodtime to just hang out and read a book. Good thing too because I hadhomework for a class I'm taking. It's called "Liturgy and theSacraments".I did see a good movie this weekend, "Great Expectations". I thought itwas good. Someone at my office tried to compare it with "Romeo andJuliet". They were streching on this comparison, badly too.Is Colleen home? How was her stay in CA? Hope all is going well.Always in my prayers.Love and Peace, Art -----From: Nye, DebbieTo: Fajardo, Art; Mahoney, William; Busch, SandraSubject: You know you're from California when:Date: Tuesday, February 11, 1998 09:20AMYou know you+re from California when:The fastest part of your commute is down your driveway.You were born somewhere else.You know how to eat an artichoke.The primary bugs that you worry about are electronic.Your car has bulletproof windows.Left is right and right is wrong.Your monthly house payments exceed your annual income.You need a new TV, you can run down to the local riot and pick one up.You dive under a desk whenever a large truck goes by.You can+t find your other earring because your son is wearing it.You drive to your neighborhood block party.Your family tree contains "significant others".Your cat has its own psychiatrist.You don+t exterminate your roaches, you smoke them.You see 25 lawyers chasing an ambulance.More than clothes come out of the closets.When "the Dead" are best live.You go to a tanning salon before going to the beach.Your blind date turns out to be your ex-spouse.More money is spent on facelifts than on diapers.Smoking in your office is not optional.You pack shorts and a T-shirt for skiing in the snow, and a sweater anda wetsuit for the beach.When you can+t schedule a meeting because you must "do lunch".Your children learn to walk in Birkenstocks.Rainstorms or thunder are the lead story for the local news. - Veryappropriate latelyYou+ll reluctantly miss yoga class to wait for the hot tub repairman.You consult your horoscope before planning your day.A glass has been reserved for you at your favorite winery.
