CALL REPORTDocument's Author: Ron Haron/ARRB Date Created: 02/18/98 The Players Who initiated the call? Review Board's representative in the call: Ron HaronImmigration and Naturalization Service's representative in the call: James M. LeahyDescription of the Call Date: 02/18/98Subject: INS ComplianceSummary of the Call:I called Mike Leahy at INS to follow-up on our 2/10/98 letter requesting that INS undertake to complete its work under the JFK Act. Mr. Leahy informed me that two additional INS files (David Ferrie and George DeMohrenschildt) have been forwarded to the JFK Collection; the work file on Marina Oswald is still being held up by Navy, which has to clear some documents ( I will follow up with Navy); and Leahy is currently reviewing and clearing documents referred to INS by FBI (although INS missed the deadline that we had imposed). I discussed with Leahy whether INS will have its postponements (mostly relating to social security numbers) ready for the Board to rule on at the March 10 meeting; he was equivocal as to whether that could be done by the next Board meeting because the RIF forms have not yet been electronically inputted and numbered.Mr. Leahy raised the possibility of NOT postponing SSN's, based on a conversation he had with Debbie Beatty of the FBI; he said Ms. Beatty told him that the FBI was not postponing SSN's. He asked for my opinion on postponing SSN's, and I told him I thought that SSN's should be postponed and that the Review Board policy was to postpone SSN's. However, I told him that if INS wants to release them, it can -- that's up to INS. Mr. Leahy said he would call me within the next several days to give me a further update.Don't forget to compose individual Action Item documents for any action items that resulted from the call!
