Review Board's representative in the call: Ron HaronImmigration and Naturalization Service's representative in the call: James M. LeahyDescription of the Call Date: 02/24/98Subject: Status of INS ComplianceSummary of the Call:I called Mike Leahy regarding the status of INS processing of its assassination records. I have the following to report: (1) a work file on Marina Oswald, which is fairly substantial, is ready to be transmitted to the JFK Collection at NARA (I asked Mr. Leahy to let me know when this is done); (2) Mr. Leahy advised me that, after checking with INS counsel, as well as consulting with FBI and Criminal Division personnel who are processing records under the JFK Act, INS has decided that it will not postpone release of social security numbers; and (3) I advised Mr. Leahy to submit all releasable INS files to the JFK Collection and to confirm this in writing (and to let me know which files are being delayed because of outstanding third-agency referrals). Don't forget to compose individual Action Item documents for any action items that resulted from the call!
