Subject: update: tape from Lancer/NARA issues

Body: I faxed you the letter from Sally Rosentahl at Lancer Productions. I am dubbing a copy of that tape to go to the JFK Library -- Jeremy is drafting a letter. The Pentagon Telecommunications Center documents were picked up this morning and I will include that in the next advisory. I will call Lardner today. Steve Hamilton confirmed that NARA received the 4 videotapes from the Secret Service. A preservation and reference copy needs to be made of each, which according to Steve will take some time. I told him I would check in with him before I do each advisory for any update he can provide. Hope all is well and not too hectic.
