**Subject:** Final Report Chapter on Declassification Standards

I hope you have had a chance to consider the e-mail below. Could we meet to discuss this on Monday, March 9, at 10:00? Please let me know.To: Laura Denk/ARRB, Bob Skwirot/ARRB, Michelle Combs/ARRBcc: Tom Samoluk/ARRB From: Jeremy Gunn/ARRB Date: 02/18/98 10:13:30 AMSubject: Final Report Chapter on Declassification StandardsI would like to have chapter in the final report on how the Board applied declassification standards to records from the FBI, CIA, and NSA. Could each of you please begin thinking about how you think that such a chapter could best be written that will incorporate not only the standards themselves, but how the process of declassification worked itself out over time? I would like to have a meeting where we discuss how we can best put such a chapter together.To the extent reasonably possible, I would like to try to have a good DRAFT prepared by the last week of March. If it is a really good draft, we can send it to the experts.
