Subject: Processing of ONI's JFK Documents
Mr. Suarez, Attached is a memo regarding the declassification review and processing of JFK Assassination Records. It was prepared by my boss for his meeting with Cdr Bastein and might help clarify the postponement process. I am passing it on at his request and if it seems to contradict anything that we discussed on Sat, March 7, please let me know and I will attempt to clarify the guidance. The attached document was prepared in WordPerfect, but should be easily converted into another format. Thanks, Jim Goslee
