I have not received a response to this note that was sent on 3/11/98. I am wondering if I am sending this request to the wrong address. If so, could you please let me know. Thank you.

Subject: Information request  
My name is Tracy Shycoff and I am the Director of Administration for the Assassination Records Review Board. We are a small, short-term federal government agency slated to end operations on September 30, 1998. We are in the process of setting up a program to assist our employees with their job searches. While checking the OPM website, I came across this address and thought you might be able to provide me with some information. We would like to get information on useful job posting sites on the internet. Do you have a list of these? Do you know if each agency has such listings? We are also interested in "paper" job listings. Are you aware of any of these that could be helpful? Is there someone that could spend a little bit of time meeting with me (in person or by phone) to answer some of these preliminary questions? I can be reached at 202-724-0088 ext. 233 or by e-mail at Tracy\_Shycoff@jfk-arrb.gov. I look forward to hearing from you and thank you in advance for any assistance that you can provide.
