Subject: Carolyn's April trip confirmed

Carolyn is coming to D.C. in April. She'll have a hotel room, courtesy of the IDSA, from Sunday evening, 4/19, through Thursday morning, 4/23. Which means I could work that Monday, Tuesday, Wednesday and Thursday without costing the Board anything for accommodation (assuming the Board's picking up airfare). Let me know what you think. Presume you saw/heard of Posner's op-ed in the NYTimes earlier this week, calling for an ARRB-like agency to do for MLK what you have done for JFK. Think I'll pass on that one...Laura: another book-searching website, this one based out of Frederick, MD --www.booknetinc.com I haven't visited it, just read about it. Hope all is well. My best to Jon, Sue, Grace and Wren.
