Subject: March Congressional Letter

Eileen -- Here is the FBI team update on our activities since February 20, 1998. "The FBI team has negotiated 20,128 pages of records from the HSCA subject files with the FBI. The HSCA subject files that have been through the negotiation stage include: James Allegretti, American Gambling Activities in Cuba, Eusebio Asque, Dr. Jose Ignatio Rasco Bermuda, Eugene Hall Brading, Joseph Civello, Lucien Conein, FPCC, Macho Gener, Martin Greendlinger, Peter Paul Gregory, Loren Eugene Hall, Marcos Diaz Lanz, Pedro Diaz Lanz, Paulino Sierra Martinez, Robert Ray McKeown, Albert Meadows, Sylvia Odio, Sam Paxton, Carlos Rodriguez Quesada, Jack Ruby (Chicago ELSUR), Richard Snyder, John Benton Turns, and Anthony Zoppi. Although the FBI page count is over 20,000 pages this month, the pace of the FBI's review is slowing. We have again communicated to the FBI that the pace of their review must accelerate if the Review Board is to complete its work by the end of the fiscal year. The FBI has advised us that it does not anticipate that it will be able to accelerate the pace of its review to the levels necessary for the Board to finish in a timely manner. We are engaged in an ongoing dialogue with the FBI to try to resolve this emerging problem as soon as possible and we intend to update Congress on any new developments." I am copying Kevin on this e-mail so that he can send you the final number of green documents and consent releases from March. If you have any questions or if you need additional information, let me know. Laura
