**Subject:** as we anticipated. . .  
Jeremy called and would like for me to send him a copy of the chapter so that he can review it tomorrow morning. I told him that he is welcome to review what we have, but that for my part, at least, it is nowhere near anything that can be sent to the experts. (I thought of asking him if he wanted to just go ahead and fire me now or wait a week, but then was afraid he would take me up on it.)In any case, I guess you should e-mail to me what you have and I will begin, within the next hour or so, to try to integrate things. . . .So, given that I may not be here as of noon tomorrow, I'd like to say that it has been nice working with you.Have a wonderful trip to Korea, a wonderful wedding, and a lovely visit to Hawaii.So long.Farewell.(can't spell this, but I'll try) auf weider shen good niiiiight.
