contains questions that, for the most part, have been answered. I still need to know, if it is known to you or
you can figure it out easily, how many "already-identified" records we still need to review and release.
thanks!To: Jeremy Gunn/ARRB, Peter Voth/ARRBcc: From: Eileen Sullivan/ARRBDate: 04/01/98 03:25:53
PMSubject: document numbersA member of the public, Stuart Galanor, is writing a book and called to inquire
about document numbers. I provided him with the numbers Peter came up with (documents and page
numbers), however Mr. Galanor is requesting more specific information. He would like to know how many
documents have been processed for release in full and in part, and approximately how many "already-
identified" records still need to be processed by the Board.Do we have these numbers, or a way to figure them
out? thanks.
