**Subject:** Planning April  
Any word on whether the powers-that-be are inclined to spring for airfare and have me work for you and Kevin on 4/20 through 4/23? It would be useful to know, for planning purposes, sooner rather than later, though I know there are roughly a million more important things going on, ARRB-wise. A copy of Bridget Jones' Diary has been backordered for me by Amazon.com, along with several Van Morrison-related volumes. The web is a dangerous thing...
