Subject: Personnel Shortage on Military Records Team

Jim Goslee and I have been discussing our problems at length (i.e., the prognosis for finishing our work), and we have come to the conclusion that either:(1) we need an intern with a security clearance FULL TIME this summer; or(2) we need another one of Bob's people part time (such as Jessica or Ben, who have made RIFs for us in the past, to assist Pete, who is already helping us part time with the production of RIFs).Our need is for someone college-educated to make RIFs and do Review Track.With Jim almost completely immersed in IRR case file fast track and daily coordination with IRR likely to last through August (and more complex than we ever realized), and with me about to embark upon the drafting of a rather complex staff medical memo, our needs are real, and rather urgent.I have "forewarned" Bob that if I do not get a full-time intern, I will be asking for another one of his people part-time.Thank you for your consideration.
