**Subject:** April trip

First, my check from my last visit arrived today. Thank you! Second, my Monday-Thursday, 4/20-23 visit. Carolyn is in D.C., providing me w/accommodation, Sunday through the end of the day Thursday (hence the duration of my visit), so I can travel from Phoenix on Sunday and be at the Board first thing Monday. For Finn-coverage reasons, though, I'd like to leave Phoenix as late as I can on Sunday. I know there's a 3:45ish America West flight (direct) from Phoenix to BWI on Sunday afternoon. But you may know of others, or for govt. rate/cost reasons may need to put me on another flight. Anything is fine, but later is better insofar as Sunday is concerned. I can fly into either National or BWI. My intention would be to work a full day Thursday and then, if there is no ethical/practical objection, leave for Ligonier, travelling back to Phoenix from National or BWI late Saturday (the reason I can't/won't be working Friday is accommodation-related, since Carolyn is only in D.C. through the end of the work day on Thursday and thus there is no hotel room for me to share Thursday night). If there is an ethical/practical objection, then I would again recommend a direct America West flight out of BWI circa 5:50 Thursday (because it's direct it leaves later meaning I can work longer on Thursday without having to skip out to get to the airport...) Hope all this is clear, though it's probably not! Any questions, give me a call or e-mail!
