Subject: Independent Consultant Assignment

Pursuant to our conversation, I am reducing to writing, my initial consult with you regarding the possibility of my working as an Independent Consultant for the American Prosecutor's Research Institute. Specifically, they have asked me to work on a date rape prosecution video - the funding for which is provided pursuant to a grant from the U.S. Department of Justice. This project entails approximately 112 hours of work - all of which I will complete on my own time. There will be one meeting in June which I will be required to attend. I will take leave without pay while I attend this meeting. Under the terms of the contract, I will be paid for the work that I do. I am asking that you render an ethics opinion on the permissibility of my doing this project. Thank you for your consideration in this matter.
