REPORTDocument's Author: Bob Skwirot/ARRB Date Created: 04/21/98 The Players Description of the Call
Date: 04/21/98Subject: Document pick upSummary of the Call:I told Ron that we have seven boxes of records
to go to NARA. (These are CIA records from the August, September and October 1997 meeting as well as
consent releases from a number of meetings.) He will do the paper work to arrange for the pick up. He thinks
that the pick up will be made sometime next week. I suggested he ask for Pete as a back up if I am not here.
(After the call I told Pete to be prepared to follow up on this.)
