Subject: Nosenko

When you return from LA, could you come talk to me about a document that may have been in the Nosenko file? Here are the basics. A document dated 2/28/64, from JEH to the head of the Criminal Division at DOJ. DOJ now has document. Michelle/Ron want to know whether FBI has already released it so that they can redact DOJ's copy accordingly. The document is about Nosenko's credibility. I hope you're having fun in L.A. We miss you. By the way -- did Theresa tell you I saw her at South Austin on Saturday? Freaky. I can't believe the Dalai Lama will be here any day now.
