Subject: MEA CULPA--But Please Fix It Anyway

Body: Pete,I just reviewed the April 13, 1998 Federal Register Formal Determination Notice, and there are two glaring omissions; I can only presume this is my fault since I am the person who (with the best of intentions) initialed our "OK" on your draft.These are both very important because they are documents that may be appealed:ADD TO U.S. ARMY DOCUMENTS, POSTPONED IN PART: 198-10005-10105;ADD TO U.S. ARMY DOCUMENTS OPENED IN FULL: 198-10005-10016.(These were both issues I presented as yellow to the Board...I don't know how they didn't get into the list, and I don't know how I failed to notice when I reviewed your draft. Sorry.)CAN WE ISSUE AN AMENDED FED REG NOTICE???? No. 10016 only concerns the Army, and No. 10105 only concerns the Army and Joint Staff.Let me know.Thanks, Doug
