**Subject:** Medical Report

Thanks for continuing to forward to me drafts of the report. I will heed your advice and not read number four in lieu of the forthcoming number 5. It would be helpful if, when you send number 5, you provide either bullet points or an outline of other topics (if any) that you think should be addressed in the report.I am forwarding to you FYI the nice message I received from Jamie. I will be following up with him.
