**Subject:** Draft 5 of Medical Evidence

**Body:** "F----d Again." The goose has almost run out of golden eggs, and motivation.  
**recstat:** To: Douglas Horne/ARRBcc: From: Jeremy Gunn/ARRB Date: 05/04/98 01:38:40 PMSubject: Draft 5 of Medical EvidenceI have reviewed draft 5.  
**DeliveryPriority:** It is clear that you put a great deal of work into this, and I appreciate that. To me the tone of the memo is that  
**DeliveryReport:** of a prosecutor's brief against the findings of the Warren Commission and the HSCA. As you know, I personally  
**ReturnReceipt:** have many doubts about what the WC and the HSCA did. However, our job is to be as neutral as possible when  
**Categories:** we present the information in full to the public. I am sure that Gerald Posner, using the very same evidence,  
could present an equally passionate case for his side. I do not question the strength of your beliefs. Please  
send me the e-version of the draft. Please devote the remainder of your work (for now) on this project to  
preparing the part that appears at the very end (Kodak Pro-Bono Work).
