Subject: Army Final Compliance Report

Body: CALL REPORTDocument's Author: Ron Haron/ARRB Date Created: 05/12/98 The Players Who initiated the call? Review Board's representative in the call: Ron HaronDepartment of the Army's representative in the call: Pat SmithDescription of the Call Date: 05/12/98Subject: Army Final Compliance ReportSummary of the Call:I called Pat Smith to follow-up on our previous letter in which we had inquired as to the status of the Final Compliance report due from them. Mr. Smith informed me that he would be the new compliance official to replace Col. Moore, who has retired; that the Army has located some SF-135 forms for record categories that we had asked about, and those forms would be forwarded to us; that he is waiting a further response from ACSI with respect to certain record issues; and that the Army is not concerning itself with the Pentagon Telecommunication tapes since it was Army's understanding that DOD is handling those records. I told Mr. Smith that we need to get the Army's final compliance report no later than August 1. Don't forget to compose individual Action Item documents for any action items that resulted from the call!
