Subject: Status of Civil Division Work under the JFK Act
CALL REPORTDocument's Author: Ron Haron/ARRB Date Created: 05/12/98 The Players Who initiated the call? Review Board's representative in the call: Ron HaronDepartment of Justice -- Civil Division's representative in the call: James M. KovakasDescription of the Call Date: 05/12/98Subject: Status of Civil Division Work under the JFK ActSummary of the Call: I called Jim Kovakas to check on the status of Civil Division's work under the JFK Act. Mr. Kovakas informed me that he will be sending the FOIA files we identified to the JFK Collection -- both the set that we reviewed, as well as a second set that we had later identified and requested. Mr. Kovakas stated that he is currently waiting for the RIF software from Steve Tilley. (Steve agreed that only one RIF per case file needs to be prepared). Mr. Kovakas anticipates no referrals or postponements as to these records (other than a small set of classified records that we are getting referred). I told Mr. Kovakas that it is our goal to have the Civil Division place its FOIA files into the Collection, and have the Diivision submit its Final Compliance Statement, no later than August 1. Don't forget to compose individual Action Item documents for any action items that resulted from the call!
