**Subject:** Amended Message re: Final Report

In an effort to determine what type of schedule you had set for other chapters (so that I would have some guidelines for setting a schedule for Chapter 4), I asked Ron what his timetable is. He handed me your "Timetable for Completion" of the report, which I had not seen before. Barring any enormous and unexpected work emergencies and subject, of course, to Bob's approval, I would like to give you the first draft by the end of the day on Friday, May 29. To Bob's credit, he has told me that his 9 pages on CIA issues (that are already part of the current draft) are essentially the complete first draft. (I think he may just need to flesh out the commentary on a few of his sections.) As I understand our division of labor on this chapter, I am to write the remainder of the first draft of the chapter, so I suspect that the recommended deadline is largely up to me. (The final deadline is, of course, entirely up to you.)To: Jeremy Gunn/ARRBcc: From: Laura Denk/ARRBDate: 05/12/98 04:40:45 PMSubject: Re: Final ReportHow should I interpret your reply?I would be happy to talk to you either this afternoon, tomorrow, or Thursday about a schedule for completing chapter 4.
