With Viagra such a hit, Pfizer is bringing forth a whole line of drugs oriented towards improving the performance of men in today's society....>> DIRECTRA - a dose of this drug given to men before leaving on car trips caused 72 percent of them to stop and ask directions when they got lost, compared to a control group of 0.2 percent.> PROJECTRA - Men given this experimental new drug were far more likely to actually finish a household repair project before starting a new one.> CHILLAGRA - Men taking this drug reported a sudden, over-whelming urge to perform more child-care tasks - especially cleaning up spills and "little accidents."> COMPLIMENTRA - In clinical trials, 82 percent of middle-aged men administered this drug noticed that their wives had a new hairstyle. Currently being tested to see if its effects extend to noticing new clothing.> BUYAGRA - Married and otherwise attached men reported a sudden urge to buy their sweeties expensive jewelry and gifts after taking this drug for only two days. Still to be seen: whether the drug can be continued for a period longer than your favorite store's return limit.> NEGA-VIAGRA - Has the exact opposite effect of Viagra. Currently undergoing clinical trials on sitting U.S. presidents.> NEGA-SPORTAGRA - This drug had the strange effect of making men want to turn off televised sports and actually converse with other family members.> FLATULAGRA - This complex drug converts men's noxious intestinal gases back into food solids. Special bonus: Dosage can be doubled for long car rides.> FLYAGRA - This drug has been showing great promise in treating men with O.F.D. (Open Fly Disorder). Especially useful for men on Viagra.> PRYAGRA - About to fail its clinical trial, this drug gave men in the test group an irresistible urge to dig into the personal affairs of other people. Note: Apparent over-dose turned three test subjects into "special prosecutors."> LIAGRA - This drug causes men to be less than truthful when being asked about their sexual affairs. Will be available Regular, Grand Jury and Presidential Strength versions.>>
