Subject: Help!

If you have time in the next few days, could you go through the CIA records files (ask Cathy which ones, I think it is 4.20.1) and pull out the formal 'Requests for Additional Information" letters, any answers to those letters, and the updated status letters? There are sixteen formal request letters, 3 or 4 updated status letters (April 97, Aug. 97, January 98, and March 98, I think) and several answers to requests (#2, #3, #4, #5, #11, #13, and #15,). Could you make a copy of everything you find. Thanks. This is probably more immediately important than preparing the Ford Library stuff and should not take very long. Thanks.
