**Subject:** Lists of Information for Staff Medical Memo  
In response to your e-mail of 5/11/98, I have prepared lists of all of our medical witnesses and all of the medical evidence we have accrued that was not previously in the JFK Collection. The document is in the t drive:For two documents you originated (the Denlea letter and your informal interview summaries for Drs. Peters and Crenshaw for December 1995), I have placed a blank in the listwhere you will need to fill in the date of origination; I do not have these.This electronic version should allow you to cut and paste into the Staff
