Subject: Census 2000
I am responding on behalf of the Assassination Records Review Board (ARRB) to the letter dated May 5, 1998 regarding recruitment of federal employees for the Census 2000 appointments. The ARRB is a temporary federal agency that will cease operations on September 30, 1998. For that reason we will not be able to support the efforts in an official capacity. I will however post the information here for our staff members future reference.
